Thanks [REDACTED] for the update, I entered 5 drivers yesterday, but glad we seem to have unlimited space for drivers  
☺ Thank you for entering the plates! I'll still standing by and refreshing the system every 30 minutes or so just in case.

No slots available yet -- in the mean time I have uploaded 6 drivers and 6 car plate -- waiting for the luggage van info and driver...

This time the 6-hour time difference is really useful!!

Mark, more pressing than the meeting room- we still don't have all the extra badges that we need, including for the 2 university representatives. You may need to flag for Jane- we may need her or someone from the embassy to call Francesco to ask for a favor if this isn't resolved tomorrow or we will need her help to make a decision to remove two registered members of our delegation so that we can register our 2 professors. Obviously this is not a desirable outcome.

[Ex. 6 - Personal Privacy] and Alexis have been working tirelessly but our delegation is rather large and we are stretching the flexibility of our hosts.

[Ex. 6 - Personal Privacy] any updates or thoughts?

Anna- any other suggestions?

Just checking in on this – as you saw, we received a note from the organizer of the Universities side event asking why our participants haven't been registered. In the meantime, not sure if Embassy folks have had a chance to consider our question about making a **possible switch with 2 existing badge holders from the Embassy as a temporary fix?** I know this is certainly not ideal, but we'd sent the full list over to Mauro at least a week ago now and this is a bit late to be hearing that we won't be having our requests fulfilled.

Thanks all for anything you can do, I'm sure you are working on the ground and its much appreciated!

Just landed in Bologna. Ex. 6 - Personal Privacy any luck getting at least the two slots for the university reps traveling from the States? One of them was invited by Pruitt's chief of staff. We need to wrap or perhaps elevate to the Charge de Affairs?

UPDATE – was able to enter 5 delegate blue badges (all Firms side event reps), and now only get options for entering drivers. Per our list, we still need 2 more for side event participants and 5 for Embassy staff. I will begin entering drivers now in the meantime and tell you how many it allows me to enter.

We have more than five firms and universities. We were given special permission to bring 4 forms. We also told the organizers that the CEO from the Chamber if Commerce would need a plus one with him. That is five for private sector. We have 2 university. That is a total of 7.

Alexis, can you confirm?

[REDACTED] **Ex. 6 - Personal Privacy** we are not making headway with either Mauro or Aldo. We need the embassy to step in and directly call to resolve.

Alexis- we need 3 more registrations for drivers and 7 for universities and firms, is that correct?

The Chairman of the Chamber of Commerce is NOT registered. Nor are any of the the other people from the private sector and universities and they are all on planes already. To say this would be embarrassing is an understatement.

NEW DELEGATION MEMBERS ONLINE**

Dear Aldo and Mauro,

Thanks for all your assistance thus far. I just wanted to confirm that we are still unable to add new delegation members on the online registration platform. We still need to add around 15 people, including key Embassy staff, drivers, and all of our representatives for side events. Please advise as to how we can resolve this as soon as possible as I understand badges will be ready for pick-up on June 9 and we need to make sure these are ready and included.

Kind regards,

Alexis

Dear Ex. 6 - Personal Privacy

there might have been some  
inceppamento somewhere, in any case:  
you have our support for the 5  
Colleagues that you have designated  
(as the formula proposed was 3 firms x  
1+1 = 6,  
we are saving 1 place).  
Alexis should be in condition to register  
Firms' Colleagues.

I will forward you for information the  
email sent yesterday evening.  
I would be grateful if you could provide  
us the emails of the 5 Colleagues.  
I'll try to call you to see if evthg is ok,  
even if I'm voiceless
